10 Enroll at School

The school year began October 4, the first day of school, as the Rose Tree School began with a roll of 131, the highest attendance in the school's history. The school is one of the largest in the district and has a staff of 20 teachers and 10 assistants.

The enrollment has increased from 120 last year to 131 this year, with a decrease of 10 students in the kindergarten class.

The school has a science lab, music room, art room, and library. The school also has a gymnasium and playground.

Community College Opens; Enrolls Over 300 Students

The Community College of Delaware County - the YPPT District School, located in the new wing of the Ridley Senior High School, opened its doors on September 21, 1967 in the new wing of the Ridley Senior High School.

Three hundred and seven students enrolled for the first semester, one hundred and thirty-six men and one hundred and thirteen women. Only two hundred enrollees had been accepted, as applications were not requested until the end of July. In addition, there was much public confusion about the status of the College due to the pending Supreme Court decision. The appeal before the Supreme Court from the Delaware County School Board's decision in the tax payers' suit against the College was heard on September 26, the day after it was established, was heard on September 26, the day after it was established.

Eleven full time faculty members have been appointed, including three full time and one part-time administrators. An addition at thirteen faculty members are employed part-time. As previously announced, the College is offering full programs in the two-year transfer category, as well as two-year career-oriented academic degree programs and developmental courses in English and mathematics for those who need more work prior to beginning their full time college level program.

Linda Williams, daughter of Mr. and Mrs. Charles Williams, and granddaughter of Lewis "Pop" Williams, is one of the students attending the College who lives in the Rose Tree Media School District. "Pop" retired last year after working for thirty-six years in the district.

Pre-School Eye Tests Set For Nov. 11 at 11

An eye screening test for pre-school children will be held on November 11 between 9:00 a.m. and twelve noon in the Indian Lake Junior High School. The tests are designed to discover amblyopia - a condition in which one eye is dominant - in time to correct the problem before the child enters school.
